

July 20, 1994

GOALS AND OBJECTIVES

The Jefferson County Historic Landmarks Commission goals are to:

- Designate historic landmarks and historic sites
- Review applications for and issue certificates of appropriateness for local historic sites
- Develop and update a comprehensive plan for historic preservation in Jefferson County
- Prepare and maintain a survey of National, State, and local historic sites in Jefferson County
- Serve as an information resource to the community on matters relating to Jefferson County's heritage and to issues related to historic preservation
