Describe Setting

_____ Acres

This property is located in rural Jefferson County, southwest of Shepherdstown.

_____ Archaeological
Artifacts Present

Description of Buildings or Site (Original and Present)

___ 2 ___ Stories

___ 4 ___ Front Bays

This is a vernacular red brick central passage I-house with a laterally-oriented gable roof and interior gable-end brick chimneys. The main entrance is centered on the facade, shielded by a small porch. Fenestration is flat-topped, including both nine-over-nine and six-over-six windows. A substantial two-story shed-roofed addition of wood construction has been appended to one of the gable ends; the date of the construction is not apparent. The rear elevation includes a veranda with Victorian posts and sawn brackets.

Alterations

Yes No

If yes, describe

As noted above

Additions

Yes No

If yes, describe

As noted above

Describe All Outbuildings

Included among the dependencies associated with this property are a small pyramidal-roofed log outbuilding and several agricultural dependencies including a two-car concrete block garage a central isle crib , and a substantial timber framed barn.

(Use Continuation Sheets)

Statement of Significance

This property appears eligible for the National Register under Criterion A for *agriculture* and C for *architecture*, although an investigation of the integrity both of the interior and of the addition would be required to corroborate this evaluation.
