The Jefferson County Landmarks Commission met, on September 16th at 9:30 a.m., to undertake their first inspection of properties that may merit landmark status. Those present were Miss Stanley, Mrs. Riely, Dr. Washington, Capt. Schley and Mr. Franzen.

The following properties were visited in the order shown.

New Hopewell (Mr. and Mrs. David Link, owners)

Traveler's Rest (Mr. and Mrs. Allen McIntosh, owners)

Rockland (Dr. and Mrs. Wanger, owners)

The Lower Farm (Capt. and Mrs. Charles Hendrix, owners)

The Commission members convened at Capt. and Mrs. Schley's home to discuss the homes visited and it was felt that consideration of Rockland would be deferred until all homes built prior to 1776 had been considered.
