

The Jefferson County Landmarks Commission met at Miss Stanley's home at 9:30 a.m. on Monday, June 2nd. Those present were Miss Stanley, Mrs. Riley, Dr. Washington and Mr. Franzen. Mr. Ed Fitzpatrick, Photographer, accompanied the Commission.

The group started a tour of homes and were joined by Capt. Schley at the cottage, home of Mr. Dunaway Licklider. While this home had been previously visited it was only at this time that permission was granted for inspecting the interior. The structure is in the process of modernization and scarcely any of the fabric indicates that this is a pre-revolutionary building. Some pit-sawn joists in the basement of the oldest part were noted.

Next visited was Rosebrake, the home of Mr. and Mrs. William B. Snyder. The charm of this fine home is brought out through its lovely setting.

A certificate and plaque were presented to Mrs. C.C. Hamman at Springdale.
